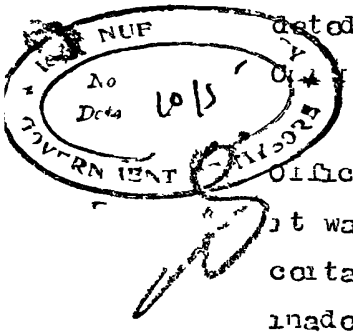
Office of the Deputy Commissioner,
Chikmagalur District,
Dated, Chikmagalur, 7th May 1948

To

The Secretary
to Government of Mysore,
Revenue Department, Bangalore.

Sir,

Subject - Improvements to the Sree Narasimharaja Wadiyar Town Hall at Chikmagalur -



In forwarding herewith the detailed estimate and plan in respect of the work received with letter letter No H C 180/47 dated 31st March 1948 from the President, Town Municipal Council Chikmagalur, I have the honour to state as follows -

It is seen from a perusal of the records of this Office that, at the time of inspection of the Municipal Office, it was suggested by the then Deputy Commissioner that besides certain improvements two rooms be provided in view of the inadequate accommodation for the office The estimate for Rs 10,100/- was accordingly returned from this Office to consult the Executive Engineer in this behalf

It is now reported by the President that a revised estimate for Rs 17,500/- has been received from the Executive Engineer and that the same was placed before the Municipal Council, The Town Municipal Council, Chikmagalur, met on 27th April 1948 and resolved to carry out the works except the balcony through the Agency of the Public Works Department at the estimated cost of Rs 10,890/- out of the closing balance of the Municipality for the current year

The improvement works included in the estimate and proposed by the Council are very necessary There is no other place of public resort in this town A portion of the hall is being used during public entertainments for staging dramas Accommodation for the audience is found to be hardly sufficient Providing a stage at the back of the Hall with green room and Bath Room on either side of it would go a long way to solve this difficulty The question of providing a separate building for the Municipal Office is under the contemplation of the Council when sufficient

funds

funds are available In view of affording facilities for locating the Intermediate College Classes in the District Board Buildings, it is proposed to shift the Public Library to the Town Hall from next year Owing to this, the accomodation becomes still insufficient Construction of two rooms for the use of the Municipal Office suggested previously will not be taken up now

In the above circumstances, I request you kindly to obtain the sanction of Government to the resolution dated 27-3-1948 of the Municipal Council and communicate the same to me Other enclosures to the President's letter accompany

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Chikmagalur District
